The City of Lakewood is aware the rates will change at the beginning of every fiscal year hereafter, as determined by the Auditor-Controller and indicated in the Law Enforcement Service Agreement. The Auditor-Controller's contract city rates are calculated pursuant to the requirements of Section 51350, California Government Code, and the policies adopted by the Board of Supervisors.

Based upon the rates developed by the Auditor-Controller for Fiscal Year 2004-2005, the cost for the services indicated in the agreement will be \$161,016, plus a 6% Liability Trust Fund contribution. The Cities of Artesia, Bellflower, Cerritos, and Paramount have also agreed to repay the City of Lakewood for any services provided by the City of Lakewood's helicopter patrol unit as indicated in the service agreement.

No City employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the City and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the City while performing such service for the City, as long as the service is within the scope of this agreement and is a municipal function.

7.2 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 CONTRACT SUM

8.1 The City shall pay for the services provided under the terms of this service agreement at the rate established by the Auditor-Controller.

8.2 The rates indicated in the SH-AD 575, Deployment of Personnel form shall be readjusted by the County Auditor-Controller annually effective July 1, of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rate as adopted by the Board of Supervisors of County.

8.3 The City shall be billed based on the service level provided within the parameters of the SH-AD 575, Deployment of Personnel form.

8.4 The cost of other services requested pursuant to this agreement and not set forth in the SH-AD 575, Deployment of Personnel form shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors of County.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff of the County of Los Angeles, shall render to said

City within ten (10) days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay County for all undisputed amounts within sixty (60) days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within 10 days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within 60 days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

(c) Such contracts are authorized and provided for by the provisions of Section 56-1/2 and 56-3/4 of the Charter of the County of Los Angeles and Article 1, Chapter 1, Part 2, Division 1, Title 5 of the Government Code of the State of California.

THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1.0 CONTRACT AUTHORIZATION

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff of the County of Los Angeles under the Charter of the County and the statutes of the State of California, and under the municipal codes of the City.

2.0 ADMINISTRATION OF PERSONNEL

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the City.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the City and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the City while performing such service for the City, as long as the service is within the scope of this agreement and is a municipal function.

2.6 The contracting City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her employment as a contract employee of the City.
